

## Metamorphosis

-So, you're a Buddhist?

-It's a path.

-Whatever. I heard you hafta learn to transcend your cock.

-Much of the earthly, just to begin.

-Well I wanna keep mine.

-If you'll excuse me, you've become it.

-Not at all. I'm proud of the way I look.

-Trouble getting clothes?

-My fag tailor just goes into ecstasy.

-How about your wife?

-She's the real prick!
